NETWORKING ADVOCACY PARTNERSHIP

SUNQueens.org 2020

SUN-Q is a Not For Profit organization made up of businesses, organizations and individuals who serve the senior population in Queens. We have been meeting for over fifteen years.

Events & Upcoming Meetings

Our meetings are always the 4th Tuesday of the month. We gather at various locations who host our meetings. There is usually a networking portion at 8:30 AM to 9:30 AM. Guest speakers begin at 9:30 and then we have a member spotlight to demonstrate how our members help seniors. The meetings end at approx. 11 AM.

In December, we shared a program with the Orion Resource Group hosted by 305 West End Assisted Living. Jointly, we attracted over 100 members to watch the documentary Last Will & Embezzlement, featuring the filmmaker, Pamela S.K. Glasner whose parents were defrauded of their life's savings.

On January 28th at Castle Senior Living Glen Rudin, Marketer offered, Would you do business with you? A comment "Yesterday's meeting was certainly a great one and thankfully reinforced for me that the focus I have had on reworking my brand, look and message is in the right direction. For that I sincerely thank you!" Ronit Rogoszinski, CFP4
Womenand WealthSolutions.com

February 25th Brandywine at the Savoy

"An Interactive Case Study " Facilitated Networking Moderated by Vicki Ellner. And presentation on the 2020 Census.

New Directions

A new benefit is the Member Spotlight: Members will have the opportunity to highlight their services at a meeting. Also, members can request an email blast for events by calling Tiffany at The Estate Planning Group 718-514-2066.

We would like to invite all organizations who represent specific geographic or cultural populations to join our Board. We strongly feel that instead of asking you to go along with our agenda, we would like to have you lead us in providing locations and programming that helps our member professionals to understand your interests.

March 24th at Flushing House Joe Lawliss, Concepts of Independence "CDPA"

April 28th at Schwartz Bros.- Jeffer Memorial Chapels Kathleen Otte, Regional Administrator U.S. Department Of Health and Human Services
